INTRODUCTION

Islamic Education and Arabic Language is one of the most important in our country. It aims to build up self-esteem, belongingness, and sense of society among the Muslim society. It also aims to promote and create equality and tolerance in the Muslim society. Muslims must understand and realize the significance of Islamic Education and Arabic Language as a catalyst for empowering and pushing our civilization to a greater height. Before this, PIMM has organised a series of ICRIALE in several country as follows:

- a. 1st International Conference and Exhibition on research in Islamic and Arabic Language Education 2011, 26th-28th September 2011, Awana Porto Malai Hotel Langkawi, Kedah, Malaysia.
- b. 2nd International Conference on research in Islamic and Arabic Language Education 2012, 1st-2nd June 2012, Elaf Kinda Hotel, Mecca, Saudi Arabia.
- c. International Conference on research in Ethic Education, 19th-21st November 2013, Fatih University, Istanbul, Turkey.
- d. 3rd International Conference and Exhibition on research in Islamic and Arabic Language Education 2015, 13th – 22nd December 2015, Hotel Florida Notre, Madrid, Spain.
- e. 4th International Conference and Exhibition on research in Islamic and Arabic Language Education, 6th-12th April 2017, Ibrahim Mosque, Perth, Australia.

Thus, 5th ICRIALE 2018 is organized to provide opportunities for academicians, researchers, experts and students to share opinions and research findings related to Islamic Education and Arabic Language. This effort is an initiative that should be cultivated so that Islamic Education and Arabic Language is always relevant to face new challenges of a new era of Industry 4.0; whereby machine and ICT are interconnected and what are the roles of Muslims at this juncture.

OBJECTIVES

- Present and share current research findings in the field of Islamic Education and Arabic Language.
- Discuss issues and propose contemporary ideas, model on Islamic Education and Arabic Language.
- Finding an alternative to the issues of Islamic Education and Arabic Language.
